中考英语完形填空：班级的荣誉墙

完形填空原文

At the back of our classroom, there is a wall covered with certificates, photos and small trophies. We call it our "Honour Wall". Every time our class wins a competition or someone does something great, we add something new to it. The wall has become a ***1*** of our shared efforts and joy.

When I first entered this class in Grade 8, the wall was almost empty. Our head teacher said, "This wall is waiting for us. Let's ***2*** it up together with our achievements." Her words encouraged us. We worked hard in the school basketball match and won third place. The day we put that certificate on the wall, everyone clapped and smiled. We felt ***3*** of ourselves.

The wall is not only for big wins. Sometimes we add a thank-you note from another class, or a photo of us helping in the community. These small things ***4*** that success is not only about scores. It is also about kindness, teamwork and never giving up. When I feel tired or ***5*** with my studies, I look at the wall. It reminds me of all the good times we have had and gives me strength to ***6*** on when things get tough.

Last month, we added a new item — a certificate for "Best Class Spirit". We didn't win any sports event that term, but we helped each other through difficult times. The wall taught me that honour does not always come from ***7***. Sometimes it comes from how we treat each other and face challenges together.

I will ***8*** this class next year when I go to senior high school. But I know the Honour Wall will stay in my heart forever. It is more than a wall — it is a ***9*** in who we are and what we believe in. Wherever we go, we will carry that ***10*** with us.
