参考范文

My School Life

My school life is full and colourful. From the morning bell at seven to the last lesson at five, my days follow a rhythm: four classes before lunch, a short rest in the classroom, then two more classes and an hour of club activities or sports. The library is my favourite place during break — I love curling up with a book while my classmates chat around me.

What I enjoy most is our English class. Every Thursday we have a lesson with a foreign teacher who makes us speak English through games and discussions. I used to be shy, but now I'm not afraid to raise my hand and share my ideas. I also love the basketball club — running on the court with my teammates after school feels like the best way to end a busy day.

To me, school is more than a place to learn facts. It's where I grow not only in knowledge but in character. I've learned to listen, to cooperate, and to face challenges with courage. These are gifts that will stay with me long after I leave.

全文翻译

我的校园生活

我的校园生活充实而多彩。从早上七点的铃声到下午五点的最后一节课，我的一天很有节奏：上午四节课、午休、下午两节课，再有一个小时的社团活动或体育运动。课间我最喜欢去图书馆——我喜欢蜷在角落里看书，同学们在我周围聊天。

我最享受的是英语课。每周四我们有一节外教课，老师通过游戏和讨论让我们开口说英语。我以前很害羞，但现在敢举手分享自己的想法了。我还喜欢篮球社——放学后在球场上和队友一起奔跑，感觉是结束忙碌一天的最好方式。

对我来说，学校不只是学习知识的地方。它是我不仅在知识上、也在品格上成长的地方。我学会了倾听、合作，以及勇敢面对挑战。这些是离开学校后也会一直伴随我的礼物。
