An Unforgettable Trip

Last summer holiday, my family and I went to Dali, Yunnan. It was a trip that I will never forget.

On the first day, we climbed Cangshan Mountain. The moment I reached the top, I was amazed by the breathtaking view — the blue sky, white clouds and green mountains stretched as far as the eye could see. The next day, we rode bicycles along Erhai Lake. The water was so clear that we could see the fish swimming in it. In the afternoon, we visited the old town and tried all kinds of local food. The rice noodles were especially delicious!

This trip was truly unforgettable. It helped me relax after a busy school term and taught me to appreciate the beauty of nature. I also spent quality time with my family, which made me feel happy and grateful. I hope to visit Dali again someday.
