完形填空原文

My mom loves mango pancake rolls. For her birthday, I decided *1* make some as a surprise.

I watched a cooking video and wrote *2* the steps. The ingredients were simple: flour, eggs, milk, sugar and fresh mangoes.

First, I mixed the batter in a bowl *3* it became smooth. Then I poured a thin layer into a hot pan. It was important to keep the heat *4* or the skin would burn.

After the thin pancake cooled down, I whipped the cream *5* a hand mixer. The cream became thick and fluffy in just two minutes. I spread it on the pancake *6* placed a piece of mango in the center.

The *7* part was folding. I tried to wrap it neatly, but the first one broke. I did not give *8* and kept trying. By the fourth one, I could fold it perfectly.

I put the rolls in the fridge *9* they could stay fresh. When Mom came home and saw them, she was so *10* that tears filled her eyes.
