06-04 中考英语语法填空 练习二

主题：暑期社会实践 (Summer Social Practice)

一、题目

阅读下面短文，在空白处填入一个适当的单词，或填入括号中所给单词的正确形式。

Last July our school organized a social practice activity in a nearby village. On the first morning we helped farmers pick fruit, (1) _____ was heavier work than we had imagined. The sun burned hot, (2) _____ nobody complained because we knew our help mattered. In the afternoon a volunteer teacher showed us (3) _____ to teach simple English songs to local children. Their eyes shone (4) _____ excitement when they could sing a whole song. We also visited several old people who lived alone and brought them some daily things (5) _____ (buy) with our pocket money. One grandma held my hand tightly and said she felt much (6) _____ (lonely) after our visit. Before leaving, we promised (7) _____ (come) again the next summer. This experience taught me that true learning happens not only in classrooms (8) _____ in real life. I am thankful to everyone (9) _____ helped organize the trip, and I have written a report (10) _____ (describe) what we did for our community.

二、答案与解析

1. **答案：which**
    - **考点**：定语从句关系词。非限制性定语从句，指代前面整件事（摘水果很累），用关系代词 `which`，前有逗号。
2. **答案：but**
    - **考点**：连词。“太阳很晒”与“没人抱怨”为转折，用 `but`。
3. **答案：how**
    - **考点**：疑问词 + 不定式。`showed us how to teach` 表示“教我们如何教”，用 `how`。
4. **答案：with**
    - **考点**：介词。`shine with excitement` 表示“因兴奋而闪耀/发亮”，用 `with` 表原因或伴随。
5. **答案：bought**

- **考点**：非谓语动词。things 与 buy 为被动关系（被买下的东西），用过去分词 bought 作后置定语，相当于 things that were bought。

6. **答案：less lonely**
   - **考点**：形容词比较级。much 修饰比较级；拜访后“不那么孤独了”，lonely 的比较级用 less lonely（孤独感减轻）。
7. **答案：to come**
   - **考点**：非谓语动词。promise to do sth. 用不定式 to come。
8. **答案：but**
   - **考点**：固定搭配。not only... but (also)... 中填 but，与上文练习区分此处为固定结构 not only in classrooms but in real life（also 可省略）。
9. **答案：who**
   - **考点**：定语从句关系词。先行词 everyone 指人，从句缺主语，用 who。
10. **答案：to describe**
    - **考点**：非谓语动词。write a report to describe... 中不定式表目的，用 to describe。也可用分词 describing 作后置定语，中考更常见目的状语 **to describe**。
