03-09 第一篇

The Hidden Benefits of Learning a Foreign Language

In today's global society, learning a foreign language has become more popular than ever. [1] However, some people might wonder if it is truly necessary when translation apps are so advanced. The truth is, learning another language offers wonderful benefits that modern technology can never replace.

First, learning a language opens up a whole new world of culture. Language and culture are deeply connected to each other. [2] Through understanding their words, you can better understand their history, customs, and ways of thinking.

Second, studying a foreign language is a great workout for your brain. It requires you to remember new vocabulary and understand complex grammar rules. [3] This mental exercise improves your memory and makes you a much better problem solver in your daily life.

[4] Being able to speak the local language makes traveling abroad much more enjoyable. Instead of just taking photos like a typical tourist, you can confidently communicate with the locals. [5] They will surely leave you with unforgettable memories of your trip that photos cannot capture.

选项

A. Therefore, traveling abroad is the only possible way to learn a new language. B. These simple daily conversations often lead to wonderful new friendships. C. This means your brain is being actively trained every single time you study. D. By speaking a country's language, you get a direct window into its unique culture. E. Finally, learning a new language makes your travel experiences much richer. F. For many students, it is considered an essential skill for future success.

答案键（Answer Key）

[1] F [2] D [3] C [4] E [5] B

深度解析

- **[1] F**：
  - **线索**：代词指代与逻辑转折。空前的首句提到“learning a foreign language has become more popular than ever”（学习外语变得前所未有的流行）。F选项中“For

many students, it is considered an essential skill”（对许多学生来说，它被认为是未来成功的一项基本技能），“it”指代“learning a foreign language（学习外语）”，进一步说明了流行的原因。紧接着空后的“However, some people might wonder if it is truly necessary”（然而，有些人可能会想这是否真的必要）形成极佳的让步转折逻辑。

- [2] D：
  - **线索**：同义复现与铺垫解释。空前提到“Language and culture are deeply connected”（语言和文化紧密相连）。D选项“By speaking a country's language, you get a direct window into its unique culture”（通过说一个国家的语言，你就获得了了解其独特文化的直接窗口）利用了原词复现，并且具体解释了这种连结。其后一句“Through understanding their words... understand their history”正是对D选项“direct window into culture”的进一步具体化。
- [3] C：
  - **线索**：指代归纳与语境顺承。空前讲述了学习外语需要记住词汇和理解语法规则，这都是对大脑的具体要求。C选项总结道：“This means your brain is being actively trained every single time you study”（这意味着你每次学习时大脑都在受到积极训练）。填入C选项后，其描述的“actively trained”完美铺垫了后一句中的代名词组“This mental exercise”（这种精神锻炼），环环相扣。
- [4] E：
  - **线索**：段落统领与结构词汇。空[4]位于新段落的首句位置，通常是该段的主旨句（Topic Sentence）。E选项“Finally, learning a new language makes your travel experiences much richer”（最后，学习一门新语言会让你旅行体验丰富得多）具有标志性的并列/递进词“Finally”，非常适合作为论点的最后一段。同时，它提出了“travel experiences（旅行体验）”的主题，完美统领了段内关于在国外旅行、和当地人交流等细节内容。
- [5] B：
  - **线索**：同义替换与代词指代。空前提到“you can confidently communicate with the locals”（你可以自信地和当地人交流）。B选项“These simple daily conversations often lead to wonderful new friendships”（这些简单的日常对话往往会带来美好的新友谊）中，“These conversations”是对前面“communicate”的同义指代。不仅如此，B项引出的“friendships（友谊）”或这里的“conversations（对话）”也完美切合了后一句的主语“They”，因为它们会“在旅途中留给你照片无法捕捉的难忘回忆”。
- **干扰项分析**：
  - **A. Therefore, traveling abroad is the only possible way to learn a new language.**：该项包含了“traveling abroad（出国旅行）”和“learn a new language（学习新语言）”等与第四段密切相关的跨界高频词汇，并用了看似顺理成

章的“Therefore”。但细看其句意“因此，出国旅行是学习一门新语言唯一可能的方法”不仅表述绝对化，而且逻辑本末倒置——文章最后一段讲的是“语言学好了能帮助出国旅行”，而不是“不旅行就无法学语言”。干扰性极强，需从深层主旨排除。
