参考范文

Last month, I had a bitter quarrel with my best friend, Lin Lin. It all started because I promised to help her prepare for the English speech contest, but on the day we had agreed to meet, I completely forgot. I was busy with my own homework and didn't even

check my phone. She waited for me at the library for over an hour. When she finally called, I could hear the disappointment in her voice.

I said I was sorry, but she was too upset to listen. "You never keep your word," she said. I felt defensive. I told her she was making a fuss — it was just one time. She said it wasn't just one time, and we began to argue. In the end, we both hung up angry. For the next two days, we avoided each other in the hallway. We gave each other the cold shoulder, and the silence between us felt heavy.

That night, I lay in bed and thought about what had happened. I had broken my promise. I had made her wait. And when she expressed her feelings, I had brushed them off. I was the one who was wrong. The next morning, I went to her classroom before the first bell. "I'm really sorry," I said. "I let you down. I'll do better." She looked at me for a moment, then nodded. "Okay," she said. "But next time, please remember." We both smiled. A quarrel had torn us apart; an honest apology brought us back together. I learned that saying sorry is not a sign of weakness — it is the first step to making things right.

全文翻译

上个月，我和我最好的朋友林林吵了一架，吵得很凶。事情的起因是，我答应帮她准备英语演讲比赛，但我们约好的那天，我完全忘了。我当时只顾着自己的作业，连手机都没看。她在图书馆等了我一个多小时。当她终于打电话来时，我能听出她声音里的失望。

我说了对不起，但她太难过了，根本听不进去。"你从来不守信用，"她说。我觉得她在指责我，就回嘴说她小题大做——不就是一次嘛。她说不止一次，我们便吵了起来。最后，我们俩都气呼呼地挂了电话。接下来的两天，我们在走廊里互相躲着走。我们谁也不理谁，那种沉默让人喘不过气来。

那天晚上，我躺在床上想了很久。是我食言了。是我让她白等了。而当她表达感受时，我又敷衍了她。错的人是我。第二天早上，第一节课铃响之前，我去了她教室门口。"真的很对不起，"我说，"我让你失望了。我会改的。"她看了我一会儿，点了点头。"好吧，"她说，"但下次你要记得。"我们都笑了。争吵曾让我们疏远；真诚的道歉又让我们重归于好。我明白了，说"对不起"不是软弱——而是让一切回归正轨的第一步。

好词好句

表达	含义	可迁移场景

`give sb. the cold shoulder`	冷淡对待、不理睬	人际关系/矛盾
`make a fuss`	小题大做	争执场景
`brush off`	敷衍、漠视	忽视他人感受
`tear apart` / `bring together`	使分离 / 使重聚	关系变化、对比

易错点提醒

1. **`keep one's word`：** word 用单数
   - ✅ You never keep your word.
   - ❌ You never keep your words.
2. **`make a fuss`：** 固定搭配
   - ✅ She's making a fuss.
   - ❌ She's making fuss. （a 不能省）
3. **`too...to...`：** 太……而不能
   - ✅ She was too upset to listen.

    - 注意 to 后跟动词原形

4. **`let sb. down`**： 让某人失望
    - ✅ I let you down.
    - 比 disappoint 更口语化

5. **`bring together`**： 使重聚、使和好
    - ✅ An apology brought us back together.
    - 注意 bring 的过去式是 brought

升格建议

- 开头可以加入**场景描写**。比如 `The library was quiet that afternoon — too quiet. Lin Lin sat at our usual table, her book unopened, her eyes red. I had forgotten our plan, and she had waited.`
- 正文可以加入**心理描写**。比如 `Part of me knew I was wrong, but another part didn't want to admit it. Pride, they say, comes before a fall — and before an apology.`
- 结尾可以用 **`We're closer now than we were before the fight. Sometimes it takes a quarrel to show you what a friendship is really worth.`** 以"争吵让友谊更牢固"的感悟收束。
