08-04 中考英语语法填空 练习一

主题：学校合唱团 (School Choir)

一、题目

阅读下面短文，在空白处填入一个适当的单词，或填入括号中所给单词的正确形式。

Our school choir has been one of the most popular clubs ***1*** our campus for more than five years, attracting students from different grades who share a love for music. Last spring, Ms. Liu, our music teacher, ***2*** (decide) to prepare us for the city competition that would take place in July. At first only twenty students signed up, ***3*** more classmates joined when they heard we would sing a classical piece ***4*** (write) by a well-known composer from Europe. Every Wednesday afternoon we practiced ***5*** (careful) in the music room for two hours so that our voices could blend softly and clearly during both verses and the chorus. The schedule was quite full, yet the singers remained ***6*** (patience) because they loved performing in front of an audience and receiving warm applause. Ms. Liu always explains ***7*** teamwork comes before personal glory in a choir, and she often praises students who listen to each other during rehearsal instead of showing off alone. Before the final show, we were told ***8*** (not arrive) late because the judges would come at least thirty minutes earlier than the audience. On the stage we wore blue uniforms ***9*** made us look tidy under the bright lights, and our families waved excitedly from the seats near the front row. When our names were read out as second-place winners, we knew hard work ***10*** (final) paid off and the months of practice had been worthwhile.

二、答案与解析

1. **答案：on**
   - **考点**：介词。on campus 为固定搭配，表示“在校园里”；此处说明合唱团是校园上受欢迎的社团之一。
2. **答案：decided**
   - **考点**：动词时态。叙述去年春天已发生的动作，用一般过去时；decide 的过去式为 decided。
3. **答案：but**
   - **考点**：并列连词。前半句“起初只有二十人报名”与后半句“更多人加入”为转折关系，用 but 连接。

4. **答案：written**
    - **考点**：非谓语动词（过去分词）。a piece 与 write 之间为被动关系，“由……创作的曲子”，用过去分词 written 作后置定语。
5. **答案：carefully**
    - **考点**：词性转换。修饰动词 practiced，需用副词作状语；careful → carefully（认真地）。
6. **答案：patient**
    - **考点**：词性转换。系动词 remained 后接形容词作表语，表示“保持耐心”；patience（名词）→ patient（形容词）。
7. **答案：that**
    - **考点**：宾语从句连接词。explains 后接宾语从句，从句结构完整（teamwork comes before...），用 that 引导；口语中 that 有时可省略，但语法填空通常填 that。
8. **答案：not to arrive**
    - **考点**：非谓语动词（不定式的否定）。主动结构为 tell sb. not to do sth.；此处为被动 we were told not to arrive，仍用 not to do 形式。
9. **答案：which / that**
    - **考点**：定语从句关系词。先行词为 uniforms，指物，从句缺主语，用 which 或 that 引导限制性定语从句。
10. **答案：finally**
    - **考点**：词性转换。修饰动词短语 paid off，需用副词；final → finally（最终；终于）。
