Every summer, many middle school students look forward to spending time away from heavy homework and city noise. At first, I missed my parents a little, but I soon enjoyed the simple life in nature. For me, joining a summer camp last July was ***1*** unforgettable experience that changed the way I see myself. The camp lasted ten days and was held ***2*** a forest park where trees were tall and morning birds woke us gently. After we arrived, we were divided into five teams, ***3*** each team had a student leader who helped organize daily activities. Our counselor was a young teacher ***4*** (name) Wang; she was strict but kind, and her clear instructions made us feel secure. She showed us ***5*** (safe) rules and taught us how ***6*** (read) a map when we walked along the winding paths. The training was tiring, ***7*** nobody wanted to give up because we cheered for one another after every small success. In the evenings, we lay on the grass, watched the dark sky, and talked quietly about our dreams for the future. One afternoon, a sudden storm came, and our outdoor class ***8*** (cancel) for safety reasons. We practiced songs indoors instead, and laughter filled the hall. On the last day, we put on a short play, and the audience clapped ***9*** (loud) for a long time. I ***10*** (realize) then that teamwork could turn difficulties into sweet memories I would keep forever.

二、答案与解析

1. **答案：an**
   - **考点**：冠词。*unforgettable* 以元音音素 /ʌ/ 开头，表示“一次难忘的经历”须用不定冠词 **an**（*a* 用于辅音音素开头的词前）。此处为泛指，不是特指某一次已知的夏令营。
2. **答案：in**
   - **考点**：介词。表示在某个较大的地点范围（公园、城市、国家等）之内举行活动，常用 **in**。*at* 多指具体小地点或门牌，*on* 多指表面或街道一侧，故 **in a forest park** 最自然。
3. **答案：and**

- **考点**：并列连词。前后为两个并列分句："我们被分成五队"与"每队有一名队长"，语义顺承、结构对等，用 **and** 连接。不宜用 *but*（无转折），也不宜用 *so*（因果过强）。

4. **答案：named**
   - **考点**：非谓语动词（过去分词作后置定语）。*a young teacher named Wang* 表示"一位名叫王……的年轻老师"，**named** 相当于 *who was named* 的省略形式，表被动含义。注意 *name* 作动词时过去分词为 **named**。
5. **答案：safety**
   - **考点**：词性转换。空格后为名词 *rules*，需用名词作定语（说明规则的性质），**safety rules** 意为"安全守则"。*safe* 为形容词，不能直接修饰名词作此类复合概念时常用名词 **safety**。
6. **答案：to read**
   - **考点**：非谓语动词（不定式）。*teach / show / tell* 等后常接 **how to do sth.**，为"疑问词 + 不定式"结构，在句中作宾语。故填 **to read**，与 *how* 构成 *how to read a map*。
7. **答案：but**
   - **考点**：并列连词。前句说训练很累，后句说没有人想放弃，语义为转折对比，用 **but**。*yet* 作"然而"时多用于书面且常加逗号；中考语境下 **but** 最稳妥。
8. **答案：was canceled / was cancelled**
   - **考点**：动词的时态和语态。主语 *our outdoor class* 与 *cancel* 为被动关系（课程"被取消"）；叙述去年夏令营经历，用一般过去时，故为 **was + 过去分词**。*cancel* 的过去分词美式 **canceled**，英式 **cancelled**，两种拼写均可。
9. **答案：loudly**
   - **考点**：词性转换。修饰动词 *clapped* 须用副词，*loud* 的副词形式为 **loudly**（也可用 *loud* 作副词，但教材与真题更常见 **loudly** 作方式状语）。
10. **答案：realized**

- **考点**：动词的时态。全文叙述去年夏令营，此处 *then* 指"在最后一天演出结束时"，为过去时间点，主句谓语用一般过去时 **realized**，与上下文 *clapped*、*came* 等时态一致。
