08-12 中考英语语法填空 练习二

主题：风力发电 (Wind Power)

一、题目

阅读下面短文，在空白处填入一个适当的单词，或填入括号中所给单词的正确形式。

Have you ever seen those tall white towers with huge spinning blades standing in open fields? They are wind turbines, and they are used ***1*** (produce) electricity from the power of wind. Wind power is one of the ***2*** (clean) sources of energy available to us today.

Unlike coal or oil, wind does not run out and it does not cause ***3*** (pollute). That is ***4*** more and more countries are choosing to build wind farms. A single large wind turbine can produce enough electricity ***5*** (power) hundreds of homes. In China, wind farms can ***6*** (find) in many provinces, especially in the north and northwest ***7*** the wind blows strongly throughout the year.

However, wind power also has some ***8*** (disadvantage). For example, wind does not blow at the same speed all the time, so the amount of electricity produced is not always stable. Some people also complain ***9*** the noise made by the spinning blades, saying it disturbs their daily life.

Despite these problems, scientists are working ***10*** (active) to improve wind energy technology. I believe that in the future, wind power will become an even more important part of our energy system.

二、答案与解析

1. **答案：to produce**
   - **考点**：非谓语动词。**be used to do sth.**（被用来做某事），不定式表示目的，故填 **to produce**。注意区分 be used to doing sth.（习惯于做某事）。
2. **答案：cleanest**
   - **考点**：形容词最高级。**one of the + 最高级 + 复数名词**（最……的之一），`clean` 的最高级为 **cleanest**。
3. **答案：pollution**
   - **考点**：词性转换（动词 → 名词）。动词 `cause` 后接名词作宾语，**pollute** 的名词形式为 **pollution**（不可数名词），表示"造成污染"。

4. **答案：why**
    - **考点**：表语从句连接词。**That is why...**（那就是为什么……），`why` 引导表语从句，表示原因与结果之间的关系。
5. **答案：to power**
    - **考点**：非谓语动词。**enough + 名词 + to do sth.**（足够的……来做某事），不定式 **to power** 表示结果/目的。
6. **答案：be found**
    - **考点**：动词语态。情态动词 `can` 后接动词原形；主语 `wind farms` 与 `find` 为被动关系（风电场"被发现/被看到"），故填 **be found**。
7. **答案：where**
    - **考点**：定语从句关系副词。先行词为 `the north and northwest`（表示地点），从句 `the wind blows strongly` 中不缺主语或宾语，缺少地点状语，故用关系副词 **where**。
8. **答案：disadvantages**
    - **考点**：名词复数。`some`（一些）后接可数名词复数，`disadvantage` 的复数形式为 **disadvantages**。
9. **答案：about**
    - **考点**：介词。固定搭配 **complain about...**（抱怨……），故填 **about**。
10. **答案：actively**
    - **考点**：词性转换（形容词 → 副词）。修饰动词 `are working` 需用副词，**active** 的副词形式为 **actively**，表示"积极地"。
