The Mid-Autumn Festival, ***1*** falls on the 15th day of the eighth lunar month, is one of the most important traditional festivals in China. It is a time for family ***2*** (gather) and giving thanks for the harvest.

The festival has a long history. It is said that ancient emperors ***3*** (use) to worship the moon in autumn to celebrate a good harvest. Over time, the tradition ***4*** (spread) to ordinary people. Today, families across China get together on this special night to enjoy mooncakes, drink tea and admire the full moon.

Mooncakes are the most popular food ***5*** (associate) with the festival. They come in many different ***6*** (flavour), from traditional lotus seed paste to modern ice cream fillings. Sharing mooncakes with family and friends is a way of ***7*** (express) love and good wishes.

The story of Chang'e is probably the most ***8*** (fame) legend connected to the Mid-Autumn Festival. According to the story, Chang'e drank a magic potion and flew to the moon, ***9*** she has lived ever since. On the night of the festival, people look up at the bright moon and think ***10*** their loved ones who are far away.

二、答案与解析

1. **答案：which**
   - **考点**：定语从句关系词。先行词 `The Mid-Autumn Festival` 指物/节日，逗号后为非限制性定语从句，在从句中作主语，故用 **which**。
2. **答案：gathering / gatherings**
   - **考点**：词性转换（动词 → 名词）。`family gathering`（家庭团聚）中 **gathering** 作名词，也可用复数 **gatherings**。
3. **答案：used**
   - **考点**：固定结构。**used to do sth.**（过去常常做某事），表示过去的习惯或状态，故填 **used**。

4. **答案：spread**
    - **考点**：动词时态。叙述历史演变用一般过去时；`spread` 为不规则动词，过去式与原形同形，仍为 **spread**。
5. **答案：associated**
    - **考点**：非谓语动词（过去分词）。`food` 与 `associate` 之间为被动关系（食物"被联系到"），用过去分词 **associated** 作后置定语，**be associated with**（与……有关）。
6. **答案：flavours**
    - **考点**：名词复数。`many different`（许多不同的）修饰可数名词复数，`flavour` 的复数形式为 **flavours**。
7. **答案：expressing**
    - **考点**：非谓语动词。**a way of doing sth.**（做某事的方式），介词 `of` 后接动名词，故填 **expressing**。
8. **答案：famous**
    - **考点**：词性转换（名词 → 形容词）。**the most + 多音节形容词** 构成最高级，**fame** 的形容词形式为 **famous**。
9. **答案：where**
    - **考点**：定语从句关系副词。先行词 `the moon` 为地点名词，从句 `she has lived ever since` 中不缺主语或宾语，缺少地点状语，故用 **where**。
10. **答案：of / about**
    - **考点**：介词。**think of / think about...**（想念/想到……）为固定搭配，故填 **of** 或 **about**。
