08-30 中考英语语法填空 练习一

主题：帮助邻居 (Helping Neighbours)

一、题目

阅读下面短文，在空白处填入一个适当的单词，或填入括号中所给单词的正确形式。

Mrs. Li is an 80-year-old woman who lives alone in the flat next to ***1*** (our). Her children all work in other cities and can only come home during holidays. My mother often tells me that we should help her whenever we can, because being a good neighbour is one of the most basic ***2*** (quality) of a kind person.

Every Saturday morning, I go to Mrs. Li's flat to help her ***3*** the housework. I usually sweep the floor, take out the rubbish and sometimes help her carry heavy bags from the market. She always thanks me ***4*** (warm) and insists on giving me some fruit or homemade biscuits.

Last winter, Mrs. Li ***5*** (catch) a bad cold and had to stay in bed for a whole week. My mother cooked soup and porridge for her every day. I went to the pharmacy ***6*** (buy) medicine and helped her measure her temperature. ***7*** (gradual), she recovered and was able to walk around again.

One day, she told me that our help meant more to her ***8*** we could imagine. She said she sometimes felt very ***9*** (lone), but knowing that kind neighbours lived next door made her feel much ***10*** (safe). Her words touched my heart deeply.

二、答案与解析

1. **答案：ours**
    - **考点**：代词（名词性物主代词）。`next to ours` 中 `ours` = `our flat`，介词 `to` 后用名词性物主代词 **ours** 替代 `our flat`。
2. **答案：qualities**
    - **考点**：名词复数。**one of the most basic + 复数名词**（最基本的……之一），`quality` 的复数形式为 **qualities**。
3. **答案：with**
    - **考点**：介词。**help sb. with sth.**（帮助某人做某事）为固定搭配，故填 **with**。

4. **答案：warmly**
    - **考点**：词性转换（形容词 → 副词）。修饰动词 `thanks` 需用副词，**warm** 的副词形式为 **warmly**。
5. **答案：caught**
    - **考点**：动词时态。`Last winter` 提示一般过去时；**catch a cold**（感冒）为固定搭配，`catch` 的过去式为不规则变化 **caught**。
6. **答案：to buy**
    - **考点**：非谓语动词。不定式 **to buy** 作目的状语，表示"去药房买药"。
7. **答案：Gradually**
    - **考点**：词性转换（形容词 → 副词）。修饰整个句子的副词放在句首，**gradual** 的副词形式为 **Gradually**（逐渐地），句首首字母大写。
8. **答案：than**
    - **考点**：连词/介词。**more... than...**（比……更多），`meant more to her than` 表示"对她的意义比我们想象的更多"。
9. **答案：lonely**
    - **考点**：词性转换（形容词辨析）。系动词 `felt` 后接形容词作表语，**lone** 的拓展形容词 **lonely** 表示"孤独的"（侧重内心感受），而 `lone` 多作定语表示"独自的"。
10. **答案：safer**
    - **考点**：形容词比较级。**much + 比较级** 表示"……得多"，`safe` 的比较级为 **safer**。
