09–17 中考英语语法填空 练习二

主题：生物多样性 (Biodiversity)

一、题目

阅读下面短文，在空白处填入一个适当的单词，或填入括号中所给单词的正确形式。

Biodiversity means the variety of living things on Earth. Forests, rivers, and oceans **1** (provide) homes for millions of species, from tiny insects to large whales. When people cut down too many trees, many animals may **2** (lose) their natural habitats and become endangered. Some rare species have even **3** (die) out in recent decades. Scientists say **4** healthy ecosystem needs different kinds of life **5** work together smoothly. Many countries **6** (pass) stricter laws to protect wildlife. **7**, pollution and climate change still cause serious problems in wetlands and coral reefs. Students can help **8** learning simple green habits, such as refusing **9** buy products made from protected animals. Protecting biodiversity is **10** (certain) important for humans and the planet.

二、答案与解析

1. **答案：provide**
   - **考点**：动词时态与主谓一致。主语为 Forests, rivers, and oceans 三个并列成分，表复数概念，陈述客观事实用一般现在时，谓语用动词原形 provide。
2. **答案：lose**
   - **考点**：情态动词后动词形式。may 为情态动词，后接动词原形 lose。
3. **答案：died**
   - **考点**：动词时态与固定搭配。die out 意为“灭绝”；句中 have 提示现在完成时，结构为 have + 过去分词，die 的过去分词为 died。
4. **答案：a**
   - **考点**：不定冠词。ecosystem 可数名词单数，表泛指“一个健康的生态系统”，healthy 以辅音音素开头，用 a。
5. **答案：to**
   - **考点**：非谓语动词（不定式表目的）。need ... to do 结构中，用 to work 说明不同生物“为了”协同维持平衡。

6. **答案：have passed / passed**
    - **考点**：动词时态。可理解为已经通过法律且影响延续到现在，用现在完成时 have passed；若仅叙述过去动作，也可用一般过去时 passed。
7. **答案：However**
    - **考点**：连接副词。上文讲保护立法，本句讲污染与气候变化仍带来问题，语义转折，句首用 However（注意大写）。
8. **答案：by**
    - **考点**：介词。by doing sth. 表示“通过做某事”，说明帮助保护生物多样性的方式。
9. **答案：to**
    - **考点**：非谓语动词。refuse to do sth. 为固定搭配，意为“拒绝做某事”。
10. **答案：certainly**

- **考点**：词性转换。修饰形容词 important 需用副词，certain 的副词形式为 certainly。
