中考英语完形填空：参加冬令营篝火晚会

完形填空原文

This winter, I attended a five-day winter camp in the mountains. The best part was the campfire party on the last ***1***. As the sun went down, the camp leaders lit a big fire in the center of the open field. The orange flames danced in the cold air, making everyone feel warm and ***2***.

We sat in a big circle around the fire. The leaders asked each group to ***3*** a performance. Some groups sang songs, and some told funny stories. My group decided to act out a short play about friendship. I played the role of a shy student who finally found the ***4*** to speak up in class. Even though I forgot a few lines, everyone clapped and laughed.

Between performances, we roasted marshmallows on long sticks. I had to hold mine just the right ***5*** from the fire—too close and it would burn, too far and it would stay cold. When I finally got a perfectly golden marshmallow, I felt so ***6***. It was soft, sweet, and delicious.

As the evening went on, the camp leader brought out a guitar. He played some popular songs and everyone ***7*** along. I did not know all the words, but I hummed the melody quietly. Looking up at the starry sky, I felt a deep connection with ***8*** around me.

Before the fire died out, the leader asked us to share one thing we had ***9*** during the camp. Many students said they had learned to be more independent and to get along with new people. I said I had learned that stepping out of my comfort zone was not as scary as I thought.

That night, lying in my sleeping bag, I could still smell the smoke from the campfire. I knew I would ***10*** this experience for a very long time.
