中考英语完形填空：帮邻居铲雪

完形填空原文

After a night of heavy snow, our neighborhood looked like a quiet white painting. My dad asked me to help *1* the steps in front of our building. While we worked, I noticed Mrs. Lin, an elderly neighbor, struggling *2* her shovel.

Dad walked over and offered help *3*. Mrs. Lin's shoulders relaxed, and she thanked us with a warm smile. Dad said neighbors should look *4* one another, especially on cold days.

We cleared her doorway first so she could walk *5* safely. The wind made my fingers numb, *6* sharing the work made time pass faster. Mrs. Lin brought out hot tea and told stories *7* her student years in the north.

When the path was finally *8*, she insisted on taking a photo with us. That picture is still *9* my phone, reminding me that small kindness can melt winter's *10* edges.
