01-17 第2篇

中考英语完形填空：第一次学游泳的回忆

完形填空原文

Last summer, my father took me to the swimming pool for the first time. I stood ***1*** the shallow end and stared at the blue water. My legs shook ***2*** because I was afraid of going under.

Dad put a bright float around my arms and said, "Trust me. Take a deep breath ***3*** you try." His voice sounded calm, ***4*** my heart still beat fast. I held the edge of the pool and moved one step forward.

The water felt cool ***5*** gentle on my skin. Little by little, I learned to kick my legs and blow bubbles. ***6*** I fell down once, Dad lifted me up ***7*** and told me mistakes were normal. By the end of the lesson, I could swim a few meters ***8*** the float.

Now when I think about that day, I feel thankful. Courage does not mean you are ***9*** afraid; it means you still move forward ***10*** fear. That lesson helps me in school, too.

选项

1. A. at B. on C. by D. in
2. A. slowly B. quietly C. heavily D. clearly
3. A. after B. before C. because D. unless
4. A. so B. and C. but D. or
5. A. or B. and C. but D. so
6. A. If B. Although C. When D. Until
7. A. angrily B. quickly C. sadly D. secretly
8. A. without B. through C. above D. against
9. A. always B. never C. seldom D. hardly
10. A. with B. from C. beyond D. except

答案与解析

1. 【答案】C 【考点】 介词辨析 **【解析】** 本句意为：我站在浅水区“旁边/一侧”。stand by the shallow end 表示在池边浅水区旁。A 项 at 也可表位置，但 by 更强调“在边缘旁”；B 项 on 在水面上不合理；D 项 in 已入水，与后文 stared 矛盾。故选 C。

2. 【答案】C 【考点】 副词辨析（固定搭配） **【解析】** 本句意为：我的腿抖得很厉害，因为我害怕沉下去。shake heavily 表示抖得厉害。A 项 slowly 慢慢抖，不符合害怕；B 项 quietly

腿不会安静抖；D 项 clearly 不修饰 shake。故选 C。

3. 【答案】B 【考点】 连词辨析 **【解析】** 本句意为：在尝试之前先深呼吸。A 项 after 之后；B 项 before 在……之前；C 项 because 因为；D 项 unless 除非。安全提示应先呼吸再尝试。故选 B。

4. 【答案】C 【考点】 连词辨析 **【解析】** 本句意为：他的声音很平静，“但”我的心仍跳得很快。转折关系用 but。A 项 so 结果；B 项 and 并列；D 项 or 选择。故选 C。

5. 【答案】B 【考点】 连词辨析 **【解析】** 本句意为：水摸起来凉爽“而且”温柔。cool 与 gentle 为并列感受，用 and 连接。A 项 or 表选择；C 项 but 表转折，此处无转折；D 项 so 表结果。故选 B。

6. 【答案】C 【考点】 连词辨析 **【解析】** 本句意为：“当”我摔倒一次时，爸爸把我扶起来。A 项 If 如果；B 项 Although 尽管；C 项 When 当……时；D 项 Until 直到。叙述一次具体经历用 when。故选 C。

7. 【答案】B 【考点】 副词辨析 **【解析】** 本句意为：爸爸“迅速地”把我扶起。A 项 angrily 生气地；B 项 quickly 快速地；C 项 sadly 悲伤地；D 项 secretly 秘密地。救人扶起应迅速。故选 B。

8. 【答案】A 【考点】 介词辨析 **【解析】** 本句意为：课程结束时，我能“不用”浮板游几米。A 项 without 没有；B 项 through 穿过；C 项 above 在上方；D 项 against 对抗。进步体现为脱离浮板。故选 A。

9. 【答案】B 【考点】 副词辨析 **【解析】** 本句意为：勇敢并不意味着你“从不”害怕。A 项 always 总是；B 项 never 从不；C 项 seldom 很少；D 项 hardly 几乎不。not never afraid 双重否定易混，本句为 Courage does not mean you are never afraid 错——等等 I made an error!

The sentence: "Courage does not mean you are ***9*** afraid"

If blank is "never": "Courage does not mean you are never afraid" = Courage doesn't mean you're never afraid = You can still be afraid sometimes. That's correct philosophically.

If blank is "always": "Courage does not mean you are always afraid" – doesn't make as much sense.

So **never** is correct: Courage doesn't mean you are never afraid (i.e. it doesn't mean you have no fear).

Actually re-read: "Courage does not mean you are never afraid"

- means: Having courage doesn't mean = being never afraid. So courageous people can still be afraid. Good.

10. 【答案】A 【考点】 介词辨析 **【解析】** 本句意为：它意味着你仍然“带着”恐惧向前走。move forward with fear 表示带着恐惧仍前进。B 项 from 从；C 项 beyond 超越；D 项 except 除了。故选 A。

Wait – I need to double-check Q9 options: A. always B. never C. seldom D. hardly

"Courage does not mean you are ***9*** afraid; it means you still move forward ***10*** fear."

For 9: "Courage does not mean you are never afraid" – correct. For 10: "move forward with fear" – correct.

Good.

Actually Q9 if "always": "does not mean you are always afraid" could mean courage isn't the same as being constantly afraid – awkward.

"seldom": does not mean you are seldom afraid – weird.

"hardly": does not mean you are hardly afraid – weird.

So B never is correct.

File is written – I'll verify Q1 again. "stood ***1*** the shallow end" – "at the shallow end" is actually very common in English: stand at the shallow end. "by" also works. For swimming pool, "at the shallow end of the pool" is standard. Let me check – user might expect "at".

stand at the shallow end – YES this is more natural. stand by the shallow end – also OK (beside)

I'll change to **at** for more natural English – but I already wrote C by. In exam cloze, both might appear. "at the shallow end" is textbook common. I'll update file to use at as answer and adjust options.

Actually the options were: 1. A. at B. on C. by D. in

I had answer C by – should be **A at** for "stood at the shallow end"

Let me fix the 01-17 file 2 – change blank answer from C to A and update 解析.

I'll use search_replace for that file.

修正 01-17 第二篇第1题：英语中更常用“stand at the shallow end”。

StrReplace
