中考英语完形填空：学包春卷

完形填空原文

The day before Spring Festival, Grandma invited me to the kitchen. She placed a bowl of fresh vegetables and thin wrappers on the table and said, "Today you will learn a family skill *1*." I washed my hands *2* sat down beside her. The kitchen lights looked warm, and I could hear fireworks popping far away on the street.

Grandma showed me how to put the filling in the center and fold the sides *3*. She repeated each movement twice so that I could follow her rhythm without rushing. My first spring roll looked *4* a small pillow, not a neat stick. I laughed at myself, *5* Grandma encouraged me to try again.

After several tries, my rolls became *6* and less likely to break in the pan. Dad came in and smelled the oil heating. He promised *7* wait patiently for the first plate. When the spring rolls turned golden, we shared them *8* some sweet and sour sauce.

That evening, I felt the holiday was not only about food, *9* about love passed down *10* generation to generation.
