中考英语完形填空：帮妈妈种花

完形填空原文

On a sunny afternoon, Mom asked me to help her *1* the balcony garden. We carried soil, small pots, and packets of seeds *2* the supermarket. I thought the work would finish in ten minutes, *3* I was wrong. The balcony looked small, yet preparing the soil and labeling each pot took much longer than I expected.

Mom taught me to dig small holes and drop the seeds *4*. She explained that different flowers need different amounts of sunlight, so we had to plan where each pot should stand later. "Do not bury them too deep," she reminded me *5*. My hands were dirty, *6* I enjoyed the earthy smell. A neighbor waved *7* us from the next balcony and praised Mom for her green plants.

Weeks later, tiny green shoots appeared. I watered them every morning *8* checking the weather forecast. Mom smiled and said, "Plants grow slowly, *9* they teach us patience." I nodded, realizing care is a kind of love *10* words.
