中考英语完形填空：年夜饭准备

完形填空原文

On New Year's Eve morning, our kitchen turned *1* a busy little factory. My mother wrote a shopping list while my father sharpened his knife *2* cutting fish. I was asked to wash vegetables *3* running water and peel potatoes carefully.

The air smelled *4* ginger, soy sauce, and steaming soup. My little sister wanted to help, *5* she dropped a plate and almost cried. Mother hugged her and said mistakes happen when people care *6*.

We worked in a clear order: soup first, then cold dishes, and hot dishes *7*. By noon, dumpling filling waited in a big bowl, and trays of chopped ingredients lined *8* like soldiers. Father tasted the broth and added a pinch *9* salt.

When relatives arrived in the evening, the table was full *10* color and laughter. I understood then that preparing the meal was as warm as eating it together.
