02-12 第2篇

中考英语完形填空：学做三明治

完形填空原文

Last Sunday morning, my dad showed me how to make a simple sandwich. He said it was a useful life skill, especially ***1*** Mom was away on business trips.

We cleared the table and washed our hands ***2***. Dad placed bread, lettuce, ham, and cheese on a clean plate. He told me to cut the vegetables ***3*** so they would be easy to bite.

The first sandwich I made looked messy. The bread was ***4*** and the filling fell out. Dad laughed and said, "Don't be afraid of ***5*** mistakes. Cooking is practice."

On my second try, I spread a thin layer of salad dressing ***6*** and added fewer ingredients. It looked much ***7***. When I took a bite, the taste was fresh and balanced. Dad gave me a thumbs-up.

We packed an extra sandwich for my little sister. She said it was ***8*** than the ones from the store. That made my day.

Now I understand that food connects people. A sandwich is small, ***9*** it carries love and care. I have decided to prepare breakfast for my family ***10*** weekend.
