中考英语完形填空：第一次参加辩论赛

完形填空原文

Our English teacher started an after-school debate club. The topic was whether students should use phones at school. I joined the team ***1*** supported the "no phones" side.

The first week was difficult. I had to read articles, underline key facts, and learn ***2*** to organize an argument. My teammate Kevin helped me practice opening sentences ***3*** home.

During the real debate, my knees shook. When the judge asked for our first speaker, I stood up ***4*** than I expected. My voice was not loud, ***5*** each sentence was clear.

The other team raised strong points. Instead of shouting, we listened and took notes. In the free debate part, I used one example ***6*** our teacher had mentioned in class. That made our side more convincing.

We didn't win, ***7*** the judge said we showed good manners and logic. After the match, I felt tired ***8*** satisfied. Debating is like sports for the mind—you train, you lose sometimes, ***9*** you still grow.

I have signed up ***10*** next month's topic about reading paper books versus e-books.
