中考英语完形填空：学做豆浆

完形填空原文

My grandmother makes fresh soy milk every winter morning. Last week, she finally agreed *1* me her recipe.

First, we soaked soybeans overnight. The beans became *2* and easier to peel. Grandma said patience at this step would make the drink smoother.

The next morning, we rinsed the beans and put them into a blender *3* water. The machine made a loud noise, *4* the mixture turned milky white.

We poured the blended liquid into a cloth bag and squeezed it *5*. The juice dripped into a pot, while the dry pulp stayed inside the bag. Grandma explained that the pulp could be used *6* plant food.

Then we boiled the juice slowly and kept stirring *7* it boiled. A rich smell filled the kitchen. I set the table and waited *8*.

The soy milk tasted warm and light, not too sweet. Grandma added a little sugar *9* I liked it sweeter. Sitting together, we talked about her childhood when soy milk was a rare treat.

I wrote the steps in my notebook. I hope I can make breakfast *10* my family on cold mornings, just like she does.
