中考英语完形填空：学做水果茶

完形填空原文

My cousin runs a small drink shop *1* weekends. Last month she taught me *2* make fruit tea at home because I always bought sweet drinks after school.

She washed apples and oranges carefully *3* cut them into thin slices. Then she boiled water and let it cool *4* a few minutes so it wouldn't burn the fruit.

She put the slices *5* a glass jar and added a spoon of honey. "You can also use lemon," she said *6* a smile, "but not too much, or it will taste sour."

We poured the warm water *7* the jar slowly and watched the colors mix. The smell was fresh *8* sweet, like spring in a cup.

After ten minutes, we tasted it *9* small sips. It was healthier than store drinks *10* I decided to make my own fruit tea on busy study nights.
