中考英语完形填空：学做手工明信片

完形填空原文

Graduation is coming soon. I wanted to give each of my close friends *1* handmade postcard. My art teacher taught me the basic steps.

I prepared thick white cards, watercolor paints and some *2* tape. First, I painted a small picture on the front of each card. One had a sunset, *3* had flowers, and another had a little cat.

The pictures were simple *4* full of feeling. I waited for the paint to dry *5* before moving to the next step. If the paint was still wet, the colors would run and *6* messy.

On the back, I wrote a short message to *7* friend. For my best friend Lily, I wrote: "Thank you for always *8* by my side." It took me two evenings *9* finish all the postcards.

When I gave them out on the last day of school, my friends were very surprised. Lily said she would keep the postcard *10* and treasure it forever.
