中考英语完形填空：学做紫薯饼

完形填空原文

Aunt Lin invited me *1* her kitchen to learn how to make purple sweet potato cakes. The steamed potatoes *2* mashed until they became soft purple dough.

We added a little sugar and rice flour, then rolled the dough *3* small round pieces. Each piece *4* pressed flat before being cooked in a pan with a little oil.

"Keep the heat low," Aunt Lin said, *5* the cakes would turn brown too quickly. I stood beside her and flipped them *6* when I saw tiny bubbles.

The kitchen *7* wonderful when the cakes were almost done. They tasted sweet *8* not too heavy, so I ate three at once.

Aunt Lin laughed and told me *9* I could take some home for my parents. I thanked her and promised *10* the recipe in my notebook that night.
