中考英语完形填空：学做手工莲花灯

完形填空原文

The lotus lantern looks beautiful *1* the Mid-Autumn Festival is coming, so our craft teacher decided to teach us *2* to make one. She prepared pink paper, glue, and a small LED light *3* could be put inside the flower.

First, we cut the petals carefully. "If you cut too fast, the edges *4* rough," she reminded us. I slowed down and tried to fold each layer *5* than before. When the petals were glued together, the flower opened *6* it was blooming in water.

We fixed the LED light at the bottom and tied a string *7* we could hang the lantern on the balcony. Looking at the soft light, I thought handmade work was *8* difficult than it looked, *9* it was worth the effort. I showed a photo *10* my parents and they said it looked professional.
