阅读理解（应用文）

① **School Choir Wants New Members!**

② Do you love singing? Would you like to perform on stage with others? Our school choir is now looking for new members. Join us and make beautiful music together!

③ **Who can join?** All students in Grade 7 and Grade 8 are welcome. You do not need to have sung in a choir before. What matters most is your love for music and your willingness to learn. We have both beginners and experienced singers. Everyone grows together.

④ **What do we do?** We practise twice a week — on Tuesday and Thursday afternoons from 4:00 pm to 5:30 pm in the Music Room (Building B, Room 305). We sing pop songs, traditional songs, and sometimes songs in English. In December, we will perform at the School Art Festival. It will be a great experience!

⑤ **How to join?** Sign your name on the list outside the Music Room before September 20th. Or send an email to choir@school.edu with your name, class and grade. Our teacher, Ms. Chen, will contact you. Do not miss this chance to be part of something special!

注释： choir 合唱团；willingness 意愿；traditional 传统的
