① **Visitor Rules for City Zoo and Aquarium**

② Welcome to City Zoo and Aquarium! To keep our animals safe and make your visit enjoyable, please follow these rules. The zoo opens at 9:00 a.m. and closes at 6:00 p.m. every day. Children under 1.2 meters tall can enter for free when they visit with an adult.

③ **Do not feed the animals.** Our animals get special food from our workers. Feeding them yourself may make them sick. **Do not touch the animals** or put your hands through the fences (围栏). Some animals may bite or scratch. **Do not use flash (闪光) when taking photos.** Bright light can scare the animals.

④ Please walk on the paths and do not climb over any barriers. Keep your voice down so that the animals stay calm. If you bring bags or food, please put rubbish in the bins. Do not leave anything behind.

⑤ If you or your child feel unwell, go to the first-aid (急救) room near the main entrance. Our staff will help you. For more information, visit our website or call 5678-1234. We hope you have a wonderful day!
