阅读理解（应用文）

① **Welcome to Our School Psychological Counseling Room**

② Are you feeling stressed about exams or worried about making friends? Do you sometimes feel sad or angry and don't know who to talk to? Our school has opened a psychological counseling room (心理咨询室) to help you. It is a safe place where you can share your thoughts and feelings.

③ **Location and time:** The room is on the third floor of the teaching building, next to the library. It is open every weekday from 9:00 a.m. to 5:00 p.m. You can come during the lunch break or after class. No need to make an appointment (预约) in advance—just knock on the door.

④ **What we offer:** Our counselors (咨询师) are friendly and professional. They will listen to you carefully and keep your talk private. They can help you with exam stress, friendship problems, family difficulties, or any worry you have. Everything you say stays between you and the counselor.

⑤ **How to get help:** If you feel nervous about going alone, you can ask a trusted teacher or friend to go with you. Remember, asking for help is a sign of strength, not weakness. We are here to support you.

注释： counseling 咨询；appointment 预约；counselor 咨询师
