07-26 第1篇

阅读理解（应用文）

① **School IT Room Rules**

② Dear students, welcome to the school IT room. To make sure everyone can use the computers safely and well, please follow the rules below.

③ **Before you use a computer:** First, wash your hands or use hand sanitizer (消毒液). Food and drinks are not allowed in the IT room. Second, sit properly and keep your eyes at a good distance from the screen. Third, tell the teacher if you find any problem with the computer or the Internet.

④ **When you are using a computer:** Only visit websites that your teacher tells you to use. Do not download (下载) anything without permission. Do not change any settings on the computer. When you finish your work, save your files in your own folder and log out properly.

⑤ **When you leave:** Turn off the computer in the correct way. Push your chair under the desk. Put rubbish in the bin. Remember that the IT room is for all students—take good care of it!
