阅读理解（应用文）

① **Notice: E-reader Borrowing at the School Library**

② Dear students, our school library now offers e-readers (电子阅读器) for borrowing. This service helps you read e-books in a more comfortable way. You can borrow one e-reader at a time from the library.

③ **Borrowing rules:** You must show your student card when borrowing. Each student can keep an e-reader for up to 14 days. If you need to keep it longer, you may renew (续借) it once online or at the library counter, unless someone else has reserved it. Late returns will cost 1 yuan per day.

④ **How to borrow:** Visit the library counter between 8:00 a.m. and 5:30 p.m. from Monday to Friday. Our staff will help you choose an e-reader and explain how to use it. Remember to return it in good condition. Do not drop it or get it wet. If the e-reader is damaged or lost, you must pay for the repair or replacement.

⑤ Please take care of the e-readers so more students can enjoy this service. For questions, call the library at 020-88881234 or send an e-mail to library@school.edu.cn.
