参考范文

How to Be a Responsible Person

Responsibility means being accountable for our actions, our studies, and the people around us. It plays an important role in our growth.

Last year, my class needed someone to water the plants during the summer holiday. Many classmates were away on vacation, but I decided to take on this task. I went to school every three days to water the plants. When the new term started, our classroom was still full of green plants. My teacher praised me for my sense of responsibility.

Responsibility doesn't have to be something big. We can show it in small things—finishing homework on time, helping our parents at home, or keeping our promises. Let's start from these small steps and become responsible people. A better world needs each of us to do our part.

全文翻译

如何做一个有责任感的人

责任感意味着对自己的行为、学业以及身边的人负责。它在我们的成长中起着重要作用。

去年夏天，我们班需要有人在暑假期间给植物浇水。许多同学都外出度假了，但我决定承担这项任务。我每三天去学校浇一次水。新学期开始时，我们的教室里依然绿意盎然。老师表扬了我的责任感。

责任感不一定是大事。我们可以在小事中体现——按时完成作业、在家帮父母、信守承诺。让我们从这些小事做起，成为有责任感的人。更好的世界需要我们每个人都尽一份力。
