Dear Lucy,

I'm so excited to hear that you're coming to China! You asked about Chinese food, and I can't wait to share some must-try dishes with you.

First, you must try Beijing Roast Duck. It's famous for its crispy skin and tender meat. You can enjoy it at Quanjude, the most well-known restaurant for this dish. Second, I'd love to take you to eat hotpot. You choose fresh meat, vegetables and seafood and cook them in a boiling pot of spicy soup. It's so much fun! Also, don't miss xiaolongbao — small steamed buns filled with hot, delicious soup inside.

I'm sure you'll fall in love with Chinese food. I can be your food guide when you arrive!

Yours,
Li Hua
