参考范文

My dream job is to be a doctor. Ever since my grandmother was seriously ill last year, I have wanted to help people fight diseases and get well again.

There are two main reasons for my dream. First, I think saving lives is one of the most meaningful things in the world. Second, during my grandmother's stay in hospital, I saw how the doctor not only cured her illness but also comforted our whole family with patience and warmth. That experience touched me deeply.

In order to achieve my dream, I will study science and biology harder and read more medical books. I believe that with effort and kindness, I can become a good doctor one day.

全文翻译

我的梦想职业是当一名医生。自从去年奶奶重病以来，我就想帮助人们战胜疾病、恢复健康。

我有两个主要原因。第一，我认为挽救生命是世界上最有意义的事情之一。第二，在奶奶住院期间，我看到医生不仅治好了她的病，还用耐心和温暖安慰了我们全家人。那次经历深深打动了我。

为了实现梦想，我会更努力地学习理科和生物，多读医学方面的书籍。我相信，凭借努力和善良，终有一天我能成为一名好医生。
