参考范文

Last Saturday, I had the chance to volunteer at a community nursing home with my classmates. We arrived at nine in the morning and stayed until noon.

We first helped clean the rooms — sweeping the floor, wiping tables, and tidying bookshelves. After that, we sat with the elderly and listened to their stories. What touched me most was an eighty-year-old grandfather who taught me how to fold a paper crane. His hands shook a little, but his smile was warm and bright.

Although I was tired, I felt truly happy inside. Helping others not only brought them joy but also helped me grow. I look forward to joining more activities like this.

全文翻译

上周六，我有机会和同学一起去社区养老院做志愿者。我们上午九点到达，一直待到中午。

我们先帮忙打扫房间——扫地、擦桌子、整理书架。之后，我们坐下来陪老人们聊天、听他们的故事。最让我感动的是一位八十岁的爷爷教我折纸鹤。他的手微微颤抖，但笑容温暖而灿烂。

虽然很累，但我内心真的很快乐。帮助他人不仅给他们带来了快乐，也让我自己成长了。我期待参加更多这样的活动。
