中考英语完形填空：学做花式跳绳

完形填空原文

During the last sports meeting, I saw some students doing fancy rope skipping. They jumped so well that I couldn't help watching. I ***1*** for a moment, then decided to learn it myself.

The next day, I bought a skipping rope and started to practice. At first, I could only do basic jumps. Every time I tried to do a ***2*** jump, I would trip over the rope and fall. My legs often hurt, and I felt like giving up. But I remembered the cool moves I had seen, so I ***3*** practicing.

My PE teacher noticed my interest and offered to help me. She said, "Fancy rope skipping needs good timing. You must ***4*** when to jump and when to swing the rope." She showed me step by step. First, I learned to swing the rope with one hand. Then I practiced jumping with both feet together. ***5*** , I could do a few simple tricks.

Week by week, I made progress. I learned to cross my arms and jump, and then I learned to jump on one foot. Each small success made me feel ***6***. One afternoon, I finally did a double jump! I was so happy that I ***7*** to tell my parents when I got home.

Now I can do many fancy moves. Rope skipping has become my favorite ***8*** after class. It not only keeps me healthy but also brings me joy. I have even joined the school rope skipping team. We will take part in a competition next month. I am a little nervous, but I believe that with ***9*** practice, we can do well.

If you want to learn something new, don't be afraid of ***10***. Keep trying and you will succeed one day.
