中考英语完形填空：学做蛋炒饭

完形填空原文

My parents were both busy last Saturday, so I decided to cook lunch by myself. I chose to make egg fried rice because it seemed ***1*** enough for a beginner like me.

First, I needed to prepare the ingredients. I took two eggs, some leftover rice, a green onion, and a little salt from the kitchen. I also found some ham in the ***2***. I cut the ham and green onion into small pieces.

Then I cracked the eggs into a bowl and ***3*** them with chopsticks. My mother had told me before that beating the eggs well would make the rice taste better. I tried my best to mix them evenly.

Next, I turned on the stove and put some oil in the pan. When the oil was ***4***, I poured in the eggs. They started bubbling right away. I quickly stirred them with a spatula before they ***5***.

After that, I added the rice and kept stirring. I used the spatula to break up any big ***6*** of rice. Then I added the ham and green onion pieces. A wonderful smell filled the ***7***.

Finally, I added a little salt and stirred everything one more time. I turned off the stove and put the fried rice on a plate. It looked golden and smelled ***8***.

When my parents came home, they were surprised to see lunch on the table. They tasted it and said it was ***9***. I felt very proud of myself. Cooking is not as difficult as I thought. I want to learn more ***10*** and cook for my family more often.
