中考英语完形填空：参加学校义卖活动

完形填空原文

Last Friday, our school held a charity sale to raise money for children in poor areas. I was ***1*** to take part in it with my classmates. We decided to sell some handmade items that we had made during art class.

Early in the morning, we set up our stall on the playground. Many students came to look at our things. A girl ***2*** a small painting and asked about its price. I felt a little nervous when I told her it was fifteen yuan. To my surprise, she said it was a good price and bought it ***3***. Her smile made me feel confident.

As the morning went on, more and more people ***4*** our stall. My friend Wang Ming was good at persuading others. He helped us sell several bookmarks and key chains. By noon, we had already ***5*** over two hundred yuan. We were so excited!

In the afternoon, a teacher came to our stall and picked up a handmade bracelet. She said she wanted to buy it for her daughter. We gave her a small ***6*** because she was so kind. She thanked us and wished us success.

When the sale ended, we counted the money together. Our class had raised 580 yuan in total! Our headteacher said we did a great ***7***. This experience taught me that working together can make a real ***8***. I hope the money will ***9*** those children in need. I look forward to joining more charity activities in the ***10***.
