中考英语完形填空：参加学校冬季长跑活动

完形填空原文

Our school held a winter long-distance running event last Friday. The weather was cold but sunny, which was *1* for running. All students from Grade 7 to 9 were encouraged to take part. I signed up with several friends because we wanted to challenge ourselves.

The race was three kilometers long. At the starting line, we did some warm-up exercises. The PE teacher told us to run at our own *2* and not to push too hard at the beginning. When the whistle blew, hundreds of students began to run. I tried to keep a steady pace and breathe *3*.

About halfway through, my legs started to feel tired. I wanted to stop, but I saw older students running past me and some younger ones still trying their best. Their *4* encouraged me to keep going. I told myself, "Don't give up. You can do it." Step by step, I got closer to the finish line.

When I finally crossed the line, I was out of breath but very happy. A volunteer handed me a bottle of water and a warm towel. My friend Zhang Wei finished just before me. We hugged each other and *5* our success. The headmaster gave a short speech and said that everyone who completed the race was a *6*.

This activity taught me that perseverance is the key to success. No matter how difficult the road is, we should never *7* our dreams. I hope to join more sports events *8*. Running in winter not only makes our bodies stronger but also builds our willpower. I will keep running and become a *9* person. Every step we take brings us *10* to our goals.
