中考英语完形填空：帮低年级同学辅导功课

完形填空原文

Our school started a peer tutoring program this semester. Senior students like me help younger students with their homework. I was ***1*** to tutor two Grade 7 students in math every Tuesday afternoon. At first, I wasn't sure if I could do it well, but I decided to give it a try.

The first day, I met Xiao Hua and Li Na in the library. They both looked a little shy. I smiled and introduced ***2***. I asked them what topics they found difficult. They said word problems were the hardest. I understood because I had the same ***3*** when I was in Grade 7.

We started with a simple problem. I explained the steps slowly and drew a picture to help them understand. When they got the right answer, their faces lit up. I felt happy to see their ***4***. We worked through several problems together. Sometimes they made mistakes, but I never got angry. I just asked them to think again and find the error by ***5***.

After a few weeks, both students improved a lot. Xiao Hua could solve problems faster, and Li Na became more confident. Their math teacher thanked me and said I had done a wonderful ***6***. The two students also gave me a thank-you card. I was deeply moved.

This experience taught me that teaching others is also a way of learning. When we explain things to others, we understand them ***7*** ourselves. I hope more students will join this program. Helping others brings us joy and makes our school a ***8*** place. I will continue to tutor as long as I have ***9***. Every small act of kindness can make a big ***10***.
