中考英语完形填空：学做手工围巾

完形填空原文

My grandma's birthday was coming, and I wanted to give her something special. She always said that handmade gifts were the best. So I decided to learn how to knit a scarf for her.

I went to a craft store and bought some soft wool and two knitting needles. At first, I had no ***1*** how to start. I watched many videos online, but my fingers just wouldn't ***2*** the right way. I made so many mistakes that I almost gave up.

Then Mom suggested that I ask my aunt for help. My aunt has been knitting for years and she was ***3*** to teach me. She showed me how to cast on the first row of stitches. "Take your time," she said. "Knitting needs ***4***."

I practiced every day after finishing my homework. Week by week, the scarf grew longer. Sometimes I dropped a stitch and had to ***5*** it. But I kept trying. When I ***6*** a problem, my aunt was always there to help.

Finally, after two months, the scarf was ***7***. I wrapped it in beautiful paper and gave it to Grandma on her birthday. When she saw it, her eyes filled with tears. "This is the most wonderful gift I have ever ***8***," she said and gave me a warm hug.

That experience taught me an important lesson: nothing is too ***9*** if you are willing to learn and never give up. Now I enjoy making things with my own hands, and I always ***10*** the joy of creating something for the people I love.
