中考英语完形填空：学做麻花

完形填空原文

During the Spring Festival holiday, my grandma taught me how to make mahua, a traditional Chinese snack. I was ***1*** at first because I had never tried cooking before.

Grandma prepared flour, sugar, eggs and some oil. "First, we need to ***2*** all the ingredients together," she said. I mixed them carefully until the dough became smooth. "Now let it rest for thirty minutes," Grandma added. I was a bit ___3___—why did we have to wait?

After the dough was ready, we ***4*** it into long strips. Then we twisted two strips together to make the mahua shape. It looked easy when Grandma did it, but when I tried, my mahua looked strange—some were too thick, some were too thin. Grandma ***5*** and said, "Practice makes perfect."

We put the mahua into hot oil and fried them until they turned ***6***. The smell was wonderful! I could not wait to taste them. When the first batch was done, Grandma let me try one. It was crispy and sweet—even better than the ones from the ***7***!

Making mahua with Grandma was a special ***8***. I learned not only how to cook, but also the importance of being patient. Now I understand why my family always makes mahua during the Spring Festival—it brings us ***9*** and carries our best wishes for the new year.

Next year, I will help Grandma make mahua again. Maybe I can ***10*** this skill to my friends too!
