# 中考英语完形填空：学做手工香皂花

## 完形填空原文

Last week, my art teacher taught our class how to make soap flowers. I had never ***1*** of such a craft before, so I was very curious. We needed some special soap base, fragrance oil, coloring, and molds in different flower shapes.

First, we cut the soap base into small pieces and put them in a heat-proof bowl. Then we heated it in a pot of water until it ***2***. The soap became liquid and looked like honey. We had to be very ***3*** not to burn ourselves.

After the soap cooled down a little, we added a few drops of fragrance oil and a little coloring. I chose rose scent and pink color for my flowers. We stirred the mixture ***4*** and then poured it into the molds. We had to work quickly before the soap got hard again.

We waited about thirty minutes for the soap to ***5***. When we took the flowers out of the molds, they looked so beautiful! Each petal was clear and had a lovely smell. I ***6*** three soap roses to give to my mom, my grandma, and my best friend.

Making soap flowers was a new ***7*** for me. I learned that we can create beautiful things with simple materials. The teacher said that handmade soap is better for our skin than the soap we buy in stores. I want to ***8*** making different kinds of soap, like lavender or jasmine flowers.

I'm so happy that I learned this skill. I will ***9*** my soap flowers with more people. Maybe I can make some as birthday gifts. Making things by hand always brings me great ***10***.
