中考英语完形填空：学做圣诞树饼干

完形填空原文

Christmas was coming and I wanted to do something special. My aunt taught me how to make Christmas tree cookies. I was very *1* to learn because they looked so beautiful in the pictures she showed me.

First, we prepared the dough. We mixed flour, butter, sugar and a little *2*. I helped roll out the dough until it was smooth. Then we used tree-shaped cookie cutters to cut out the *3*. It was fun to see the green trees appear one by one.

After that, we baked the cookies in the oven for about fifteen minutes. While they were baking, we prepared the icing. We mixed powdered sugar with a few drops of water and green food coloring. The icing looked like *4* snow on a tree.

When the cookies cooled down, we decorated them. I used a small brush to spread the green icing on each cookie. Then I added some small candy balls to make them look like Christmas *5*. My aunt said I did a great job and the cookies looked *6*.

We put the cookies on a plate and took a photo. Later, we shared them with our neighbors. Everyone said they were *7* and asked for the recipe. I felt so proud that I had made something so *8* by myself.

Making Christmas tree cookies taught me that holiday joy can come from small things. The best part was not just eating them, but *9* time with my aunt and sharing the results with others. I hope to make them again next *10*.
