中考英语完形填空：寒假去图书馆当志愿者

完形填空原文

During the winter holiday, I decided to do something meaningful instead of staying at home playing games all day. I *1* to become a volunteer at the city library. At first, I was a little *2* because I had never done such work before.

On my first day, the librarian showed me around and explained my *3*. I needed to help put books back on the shelves and answer readers' questions. It *4* easier than I had thought. However, when a little girl asked me where she could find a book about dinosaurs, I felt a bit *5*. I had to search for it carefully. When I finally found it and gave it to her, her smile made me very *6*.

As days went by, I became more and more *7* at my job. I even started to recommend good books to young readers. One boy told me that the book I suggested was *8* interesting that he read it twice! His words encouraged me a lot.

The two-week volunteer experience taught me many things. I learned that helping others could bring great *9*. I also made some new friends who loved reading as much as I did. Now I understand that the winter holiday can be *10* and meaningful when we spend it doing something useful.
