中考英语完形填空：爸爸的便当

完形填空原文

Every morning, when Su Ran opened her schoolbag, she would find a lunchbox neatly packed inside. It always had rice, vegetables, and a piece of meat — simple but *1*. She never thought much about it. She just ate it at noon like every other student.

Su Ran's father was a quiet man who worked as a security guard at a factory. He left for work at 6 a.m. and didn't come home until late at night. They rarely had time to *2* during the week. Su Ran sometimes felt that her father was like a *3* in the house — present but invisible.

One Thursday, Su Ran forgot her lunchbox at home. She called her father, expecting him to *4* it to school. But his phone was busy. So she went without lunch that day. When she got home, she found the lunchbox sitting on the kitchen table with a small note: "Sorry I couldn't *5* the phone. I made your favorite today — sweet and sour ribs."

Su Ran stared at the note. She suddenly realized something she had never *6* before: her father woke up every day at 4:30 a.m. — not just to get ready for work, but to *7* her lunch. He had been doing this quietly for three years without ever mentioning it.

Her eyes grew *8*. She walked to her father's room and looked at his old alarm clock, set to 4:30. Beside it was a small notebook filled with weekly *9* — different dishes planned for each day so she wouldn't get bored.

When her father came home that night, Su Ran was still awake. She walked up to him and hugged him tightly. "Thank you, Dad," she whispered. Her father patted her back gently and said nothing, but his eyes were *10* too.

2. 【答案】D 【考点】 动词辨析 **【解析】** 本句意为：他们在工作日很少有时间___。A 项意为"争吵"；B 项意为"旅行"；C 项意为"学习"；D 项意为"交谈"。爸爸凌晨出门、深夜回家，父女俩见面的机会很少，自然没有时间"交谈"。"rarely had time to talk"（很少有时间聊天）说明了父女间缺乏沟通的现状。故选 D。

3. 【答案】B 【考点】 名词辨析 **【解析】** 本句意为：苏然有时觉得爸爸像家里的一个___——存在但看不见。A 项意为"客人"；B 项意为"影子"；C 项意为"英雄"；D 项意为"陌生人"。后文"present but invisible"（存在但看不见）是对"shadow"（影子）最精准的解释——影子永远在那里，但人们很少注意到它。这个比喻生动描绘了爸爸默默存在却不被关注的状态。故选 B。
