中考英语完形填空：遗落的画笔

完形填空原文

Chen Lu used to love painting. When she was little, she would spend hours drawing colorful pictures of flowers, animals, and her family. Her art teacher once said she had real *1*. But when she entered junior high school, things changed.

The schoolwork became much *2*. She had to spend most of her time studying for exams. Slowly, her brushes and paints were pushed to the back of her desk drawer. She told herself she would paint again when she had time, but that time never *3*.

One Saturday, Chen Lu's mother asked her to clean her room. While organizing the drawer, she found her old paintbox. She opened it and saw dried-up paints and a few *4* brushes. Holding them in her hands, she felt a sudden wave of sadness. She missed the days when painting made her feel *5* and free.

Without thinking much, she picked up a brush, found some watercolors, and started painting on an old piece of paper. At first, her hand felt *6* — she had forgotten how to control the brush smoothly. But after a few minutes, something magical happened. Her hand began to *7* naturally, as if her body still remembered what her mind had forgotten.

She painted a sunrise over a mountain — not perfect, but full of *8*. When her mother walked in and saw the painting, she looked at Chen Lu with soft eyes and said, "I've missed seeing you like this."

Chen Lu realized that she had been so busy chasing *9* that she had forgotten what truly made her happy. That evening, she put the paintbox back on top of her desk — not in the drawer anymore. She decided to paint for at least thirty minutes every weekend, no matter how busy she was. Some things in life are too *10* to give up.

2. 【答案】B 【考点】 形容词辨析（比较级） 【解析】 本句意为：功课变得___多了。A 项意为"更容易的"；B 项意为"更繁重的"；C 项意为"更有趣的"；D 项意为"更短的"。进入初中后课业压力增大，占据了她大部分时间，说明功课变得"更繁重"。后文"She had to spend most of her time studying for exams"也证实了课业负担加重。故选 B。

3. 【答案】C 【考点】 动词辨析 【解析】 本句意为：她告诉自己有空了再画，但那个时间从来没有___。A 项意为"停止"；B 项意为"出现"；C 项意为"到来"；D 项意为"持续"。她一直在等"有空的时间"，但这个时间始终没有"到来"。"that time never came"（那个时间从来没来过）用简洁的表达传达了拖延的遗憾。故选 C。

4. 【答案】C 【考点】 形容词辨析 【解析】 本句意为：她打开画具盒，看到了干掉的颜料和一些___画笔。A 项意为"干净的"；B 项意为"昂贵的"；C 项意为"布满灰尘的"；D 项意为"塑料的"。画具盒被闲置在抽屉深处很久了，颜料都干了，画笔自然也是"落满灰尘的"。"dusty brushes"（落灰的画笔）与"dried-up paints"并列，共同描绘了被遗忘的画具的状态。故选 C。

5. 【答案】B 【考点】 形容词辨析 【解析】 本句意为：她怀念画画让她感觉___和自由的日子。A 项意为"无聊的"；B 项意为"有活力的/生机勃勃的"；C 项意为"羞愧的"；D 项意为"孤独的"。这里与"free"（自由）并列，需要一个同样积极的形容词。"feel alive"（感到充满活力）表达了画画带给她的精神满足和快乐感。故选 B。
