中考英语完形填空：校园垃圾分类

完形填空原文

Our school has started a recycling program to protect the environment. At first, many students did not think it was ***1***. They threw all kinds of rubbish into the same bin because it seemed easier. But our teacher, Mr. Wang, never ***2*** trying to change our habits. He believed that young people could lead the way in caring for our planet.

He placed different colored bins around the school — blue for paper, green for plastic, and yellow for metal. He also gave us a ***3*** about why recycling matters. "Every bottle you recycle can be ***4*** into something new," he said. His words made us think about the impact of our daily choices.

Gradually, students began to ***5*** the rules. We started to separate our waste carefully before throwing it away. Some students even became "recycling monitors" to help others. I ***6*** to be one of them. It was my job to check the bins each day and make sure everything was in the right place.

At the end of the first month, we had a surprising ***7***. Our school had recycled over 500 kg of waste! The principal was so pleased that he ***8*** our class with a certificate at the school assembly. We felt proud of what we had achieved together.

Now recycling has become a ***9*** part of our daily life. We not only do it at school but also at home with our families. Our small actions can make a big ***10*** to the Earth. Let's all work together for a greener future!
