# 中考英语完形填空：参加环保志愿活动

## 完形填空原文

On Sunday morning, I joined a volunteer activity to protect the environment. We met at the gate of the city park at 8 o'clock. There were about thirty students from different schools, all wearing green vests with the *1* "Protect Our Earth".

Our task was to pick up litter in the park. At first, I thought it would be easy, but I was *2*. There was garbage everywhere: plastic bottles, paper bags, and even used masks. We worked in pairs and filled our bags *3* within an hour.

While picking up trash, I *4* a small bird that seemed to be hurt. It couldn't fly properly. I quickly ran to our team leader and told her about it. She called the animal rescue center, and they said they would come soon. I felt *5* that we could help the little creature.

During a short break, we sat under a big tree and had some water. One of the organizers gave us a *6* about why we should reduce plastic use. She said that plastic waste harms wildlife and pollutes our oceans. Her words made me *7* more about environmental protection.

Before we left, we took a group photo. Everyone was tired but had a big *8* on their faces. I realized that doing something meaningful for our planet made us happy. From that day on, I decided to *9* less plastic and encourage my family to do the same.

Small actions can make a big *10*. If everyone does their part, we can create a cleaner and greener world together.
