中考英语完形填空：第一次当小老师

完形填空原文

Last week, our teacher asked me to help Zhang Wei with his English. Zhang Wei was ***1*** in English, so I agreed to be his "little teacher" after school. At first, I felt a bit ***2*** because I had never taught anyone before.

When we sat down together, I opened the English book and began to ***3*** the new words with him. I tried my best to explain each word ***4***. To my surprise, Zhang Wei listened carefully and asked good questions. His progress made me feel very ***5***.

One day, he had ***6*** with a grammar problem. I thought about it for a while and found a simple way to help him understand. When he finally got it, he smiled and said "Thank you!" That moment made me ***7*** that teaching could be so meaningful.

Through this experience, I learned that helping others is also a way to ***8*** our own knowledge. I became more confident and patient. Now Zhang Wei's English has ***9*** a lot, and we have become good friends. I will never ***10*** this special experience of being a little teacher for the first time.
